

## September Youth Report 2015

September kicked off, not just the fall season, but also the new youth group season. We kicked off with the annual KFC fair. Our attendance of students was quite promising. Our adult attendance was down this year. We were blessed with a lot of Jr. and Sr. high students that came out to serve and help make the event a ministry success! We had our normal game stands, tye dye t-shirts and dunk tank. We did, however, change up the food menu for kitchen ease. Thanks so much to all the kitchen help and student help for the fair.

We had a great turn out and had a great time catching up with students and getting back into the normal swing of a youth group night. It is good to back to the normalcy of youth group. The summer program was good for building relationships, but still missed the worship and teaching aspects of jr. and sr. high youth groups.

September included our annual youth Sunday service and church picnic. All month long we practiced our songs for the service. I am so proud of the kids for singing. Also was very thankful to all the families who came out to support the youth group and show our church there appreciation for all the church does for them.

Sr. high had their annual Road Rally outreach. We had 10 students participate in the scavenger hunt across the Lehigh County.
